**CALIFORNIA PISTACHIO RESEARCH PROGRAM  
ASSESSMENT RATE FOR THE 2016-2017 MARKETING SEASON  
SET AT \$0.005 PER POUND OF ASSESSABLE WEIGHT**

TO THE PISTACHIO HANDLER ADDRESSED:

As recommended by the California Pistachio Research Board (Board), the California Department of Food and Agriculture has established an assessment rate for the 2016-2017 marketing season (being the period August 1, 2016 through July 31, 2017) on all California pistachio growers. This assessment is to be remitted on behalf of the growers by pistachio processors.

The assessment rate for the 2016-2017 marketing season has been set at the maximum rate allowable of \$0.005 per pound pistachios based on assessable weight. One thirty-fifth of a cent (\$0.0035) of this rate will be utilized to fund the Program's regular budget while the other fifteenth of a cent (\$0.0015) will be directed toward funding endowed university research positions.

The Board will provide the assessment form and instructions to all pistachio processors in the month of August. Assessment checks are payable to the Board and must be postmarked by December 15, 2016. Assessments postmarked after the December 15th deadline will be considered delinquent and will be assessed a late payment penalty as provided in the Section 58930 of the Food and Agricultural Code.

Growers who produce or market less than 1,000 pounds of assessable weight during the 2016-2017 marketing season and who pay assessments may apply for a refund of those assessments after July 31, 2017.

A copy of the Department Order establishing the 2016-2017 assessment rate is available from the Department's Marketing Branch. For questions about the assessment order, please contact Kacie Fritz of the Marketing Branch at (916) 900-5095.
